2. **List expenses by date & arrange the supporting statements in the same order.** Highlight or circle the service dates on your documentation. If you have several statements from the same provider, you may subtotal them and list them on one line with a range of dates.
 - Day care claims - complete the Dependent Care Assistance section
 - Health care claims - complete the Unreimbursed Medical Benefits section (The amount column should be the amount you are requesting after any insurance payment or provider discount for each expense).
3. **Enclose required documentation***. A written statement from the dependent care or medical (Dr., hospital, pharmacy, etc.) provider of the service or an insurance company benefits statement showing all of the following:
 - The name of the dependent care or medical service provider,
 - The date or range of dates of medical service or day care. Although this date may be the same as the date paid it must be clear on what date the service was provided. The services must have already been provided.
 - A description of the service provided (for example, for health care, "dental cleaning", or for day care "day care"),
 - The name of the person or persons receiving the medical or dependent care, and
 - The cost of the service, not just the amount paid.

***Dependent Care claims only.** - You may either provide documentation from the day care provider or have the provider complete the Dependent Care Assistance Section, then sign on the "Provider's Signature" line and date the signature. You do not need to do both.
